Re: **Unification – Bowls NSW**

We take this opportunity to advise that after much discussion, debate, and consideration the Women's Bowls NSW Board of Directors has unanimously agreed to invite Bowls NSW to explore the possibility of the two associations unifying.

The motion was raised and passed unanimously that "Women's Bowls NSW agree, in principle to unification with Bowls NSW and to form a subcommittee consisting of the President, Dilys Kindleysides and Rob Peattie to explore how to achieve the same for the benefit of the membership".

Women's Bowls NSW President Mrs Pam Andrich announced at last nights 2019 Night of Champions that the association has already formed a sub-committee of three Directors and has invited Bowls NSW to consider doing the same.

Our Board looks forward to working with the Board of Bowls NSW to achieve an outcome which will be beneficial to both memberships.
