

Memo 359.20

To: All Members, District and Club Secretaries and Presidents,
From: Women's Bowls NSW Head Office
cc: WBNSW Board, Committee and Staff Members
Date: 6th March 2020
Re: **2020/21 Affiliation Fees**

To All Members,

In 2019, the Women's Bowls NSW Board of Directors reviewed the fixed fee policy for affiliation fees and brought in the two tiered membership fees; Gold and Silver.

After varying levels of both positive and negative feedback, the Board have decided to return to the single fee level of \$75.00 per member.

Members who are new to Women's Bowls NSW or have not been affiliated with Women's Bowls NSW for 12 months (as of the 2020 financial year), will not be required to pay a membership fee for the 2020/21 financial year.

Junior members will remain the same as they currently are; being that if they are under 18 as of the 1st July 2020, they are not required to pay membership for their 2020/21 financial year.

The annual Club subscription will remain at the current \$75.00.

Bowls Matters will continue to be available to all members at no cost until further notice.
