

An update on our 2020 State Events

29<sup>th</sup> May 2020

Hi everyone,

I hope this email finds you well and looking forward to getting back out on the greens soon!

As you may be aware, a number of our State Events have had to be postponed or cancelled during this trying time and I just wanted to give you a brief update of what we have planned and looking at completing over the coming months.

Thanks again to the Districts and Clubs for their prompt responses in letting us know where you were up to with your championships and pennants.

Please bear in mind, the information below is still subject to change as we continue to move through government and health restrictions for both members and clubs.

**Note: at the time of writing, we are still at Stage 1 regarding playing bowls (currently no competition bowls)**

### State Pennants

*(due to the current uncertainty surrounding travel restrictions within NSW at this time, unfortunately the venue host for the 2020 State Pennants Finals will not be Kingscliff Beach Bowls Club and the Tweed Byron District, but rest assured we will be heading back there for the 2021 State Pennant Finals!)*

Weekend Pennants, Summer League and Champion of Champion Pairs are still under review based on when clubs can reopen.
